- The school should establish sound internal financial controls to ensure the reliability and accuracy of its financial transactions
- In accordance with section 2.6 of the LA Scheme for Financing Schools, the school should ensure that a professional internal audit of its financial arrangements takes place at a frequency determined by the Corporate Director, Environment & Resources and Corporate Director, Children, Families & Cultural Services and that adequate budget provision is made for this service
- The school should ensure that purchasing arrangements achieve the principles of best value
- All income due to the school should be identified and collected. All collections should be receipted, recorded and banked promptly
- The school should properly control the operation of bank accounts and reconcile bank balances with the accounting records
- There should be efficient procedures in place for the administration of personnel matters, including payroll where applicable
- The school should control the use of petty cash
- The school should ensure that it complies with VAT and other applicable tax regulations
- Stocks, stores and other assets should be recorded and adequately safeguarded against loss or theft
- The school should be adequately insured against exposure to risks

- The Governing Body and Headteacher should be satisfied that they are meeting the requirements of the 1998 Data Protection Act and any subsequent regulations and amendments

3 Financial Planning and Budget Monitoring

3.1 The school has a written statement of its aims and objectives in the form of the annual school profile* and this forms the basis for constructing budget plans.

*The DfE announced in September 2011 that as part of reducing bureaucracy in schools, subject to parliamentary approval the requirement to produce a school profile will be removed in the 2011/12 academic year. *This has not yet been approved and the requirement has therefore been left in the Finance Policy*

3.2 The school has both medium term educational (School Improvement / Development) and budget plans which outline the areas of priority with regards to spending, showing how the use of resources is linked to the achievement of the school's goals.

3.3 The Governing Body has established a formal procedure for planning the School Improvement / Development plan and the budget and has set out a timetable for the process.

3.4 The Headteacher will prepare estimates of expenditure and income in good time for consideration and approval by the Governing Body within the time scale outlined in the budget planning timetable.

3.5 The Governing Body will ensure that planned expenditure does not exceed the available budget allocation during budget reviews.

3.6 The Headteacher will forward details of the approved budget to the Governing Body for timely consideration and will also alert the Governing Body of any subsequent changes to the budget.

3.7 The Governing Body / Headteacher should report to the LA on the intended use of any balances as prescribed in Section 4 of the Nottinghamshire Scheme for Financing Schools by 31st May each year.

3.8 The Governing Body should ensure that the main elements of the school's budget are subject to a periodic review to ensure that the school works within the principles of Best Value and that historic spending patterns are not repeated without challenge.

3.9 The school operates a system of budget profiling and cash flow forecasting to take account of likely spending patterns and the Headteacher will ensure that this is made available to the Governing Body at all planned budget review meetings.

3.10 The Headteacher / Office Manager will provide a report on expenditure, including items committed but not yet paid, and reconciled against Local Authority records, at each budget review meeting. This report should include details on any significant variances against the approved Budget Plan and, where necessary, any remedial action plans and monitor the expenditure on the initiatives set out in the School Improvement / Development Plan.

3.11 The Headteacher is authorised by the Governing Body to appoint a budget manager for any department as appropriate within the school and may delegate the responsibility to spend within a department's annual budget allocation to the department's appointed budget manager.

3.12 The Headteacher / Office Manager will provide department budget managers access to regular reports on spending and these will be reviewed with the Headteacher / Office Manager periodically or as deemed appropriate.

3.13 The Headteacher / Office Manager will ensure that the Governing Body is made aware of all virements made.

3.14 The Headteacher and the Governing Body will assess the progress made against the stated objectives in the School Improvement / Development Plan according to the timetable.

3.15 The Headteacher will periodically consult the Governing Body and relevant staff to ensure that the financial and management information issued is relevant, timely, reliable and understandable. This review will be conducted at least annually.

3.16 The Headteacher will report any proposal for policy changes which significantly affect the expenditure or income budgets at the Business Division meeting of the full Governing Body.

3.17 The Headteacher will ensure that the capital expenditure limits as set by the LA are not exceeded without written approval from the LA.

3.18 Where written approval is sought by the Headteacher to place a high value order or enter into a contract, the Governing Body will be informed of the amount and reason for the expenditure.

4 Internal Financial Controls

4.1 The Governing Body will ensure that there are written descriptions of all the school financial systems and procedures. These should be kept up to date and all relevant staff trained in their use.

4.2 The Headteacher will ensure that appropriate cover is available in the absence of key personnel to ensure that financial control is maintained.

4.3 The Headteacher will ensure that as far as possible the duties of staff relating to financial administration are distributed so that at least two people are involved. The work of one person should act as a check on the work of the other. All checks should be fully documented.

4.4 The Headteacher will ensure that proper accounting records are maintained and held securely. Financial documents will be retained in accordance with Annex E of the Nottinghamshire Scheme for Financing Schools.

4.5 An audit trail of all financial transactions will be maintained from original documentation to the accounting records, and vice versa.

4.6 Alterations to documents will be made clearly in permanent ink, initialled and dated. The use of correction fluids or erasure of information is not permitted.

4.7 Accounting records will be properly and securely maintained and access to these will only be permitted to authorised staff. The Headteacher will determine who is authorised to access the records.

4.8 The Headteacher will ensure that expenditure from ring fenced sources of funding are used for their intended purposes and are identifiable within the school accounts and supporting records.

4.9 The Governing Body should ensure that a professional internal audit takes place on the financial arrangements of the school at least every 5 years. Schools will be notified by NCC Internal Audit Services in January if they are scheduled for an audit in the next financial year.

4.10 The internal audit provider selected must be CCAB qualified, have all relevant insurances and professional indemnities and carry out their work in compliance with the Public Sector Internal Audit Standards.

4.11 Where a provider other than NCC Internal Audit Services is chosen, the details of the organisation selected must be notified to the Head of Internal Audit. A copy of the final audit report and the school's responses to the recommendations made must also be forwarded to NCC Internal Audit Services within four weeks of receiving the report.

5 Purchasing

5.1 Before any orders are placed, the person responsible for placing the order will ensure that the school is achieving value for money. Consideration will be given to price, quality and fitness for purpose.

5.2 The financial limits of delegated authority as approved by the Governing Body for entering into commitments and ordering goods and services are as detailed below:

Headteacher	£5,000 with 3 quotes £2,000 single purchase
Assistant Headteacher	£2,000
Office Manager	£1,000

5.3 Expenditure above the Headteacher's delegated authority, but below £25,000 must be approved by the Business Division meeting of the full Governing Body and formally recorded in the minutes of the meeting.

5.4 All orders must be signed by an authorised member of staff as per the list in section 5.2 subject to their authorised delegated level, other than where the expenditure has been approved by Governors and their approval formally recorded in the minutes. The signatory should be satisfied that the goods or services ordered are appropriate and necessary, that there is adequate budgetary provision and that quotation / tendering procedures have been followed.

5.5 All intended purchases with an estimated value of £25,000 or more must be awarded by one of the following methods:-

- Open competitive tendering by an advertisement in at least one local newspaper and an appropriate trade journal.
- Selective tendering from at least three recognised sources known to be suppliers of the goods and/or services in question.
- Such other arrangements made with the prior written approval of the Assistant Chief Executive and the Corporate Director, Environment & Services.

5.6 All intended purchases or contracts for supplies and services with an estimated value above £173,494 (determined as at January 2012) or more must observe European Union law and must be advertised in the Official Journal of the European Union. Advice should be obtained from the Assistant Chief Executive in order that the relevant European Directives are complied with.

5.7 Purchases or contracts with an estimated value of between £5,000 and £25,000 can be awarded by one of the methods described above or by inviting at least 3 alternative written offers or quotations. In circumstances where obtaining 3 quotations is impractical the reasons for not following these procedures must be reported to the Governing Body and recorded in the minutes of the meeting.

5.8 For purchases of less than £5,000 the Governing Body will make the most suitable arrangements for the ordering works, goods and services or disposal of equipment and goods, but will obtain alternative offers or quotations wherever possible.

5.9 All contracts, orders and purchases with an estimated value of £25,000 or more will be subject to a decision of the full Governing Body and recorded in the minutes of the meeting.

5.10 The Governing Body will be informed of all instances where a quotation has been accepted that is not the lowest or most financially

advantageous option available. This will be recorded in the minutes of the meeting.

5.11 The purchasing of works, goods or services can be entered into without the tendering or quotation procedures described above if the order or contract is placed with a department of the County Council.

5.12 Official prior pre-numbered orders must be raised for all works, goods and services (with the exception of utilities, rents, rates and petty cash payments). Where urgency requires a telephone order, this should be subject to the procedures outlined above and an official order raised at the earliest opportunity as confirmation to commit the expenditure, and to ensure financial commitments are recorded.

5.13 Where orders are sent by fax, both sides must be faxed to the supplier as the standard NCC conditions of order are printed on the reverse of the order form.

5.14 When an order is placed, the value should be committed against the appropriate budget heading on the school's financial system so that it is included in budget monitoring reports.

5.15 Official orders will only be used for goods and services provided to the school. Individuals are not permitted to use official orders to obtain goods or services for their private use.

5.16 The Office Manager will ensure that goods and services are checked on receipt to ensure that they match the order. Wherever possible, the person responsible for checking the goods or services is not the person who orders the goods and processed the invoice. The checking procedure should be recorded on the order / delivery note and passed to the person responsible for processing invoices.

5.17 The Office Manager will ensure that payments are only made to a supplier once the goods or services have been received and checked and confirmed as being satisfactory, and on receipt of a proper invoice which has been received, checked, coded and certified for payment.

5.18 The limits of delegated authority as approved by the Governing Body for authorising invoices for payment are as detailed below. There is no limit set for the Headteacher as control over the level of authorisation has already been applied in the ordering process as identified in section 5.2 and 5.3

5.19 Wherever possible, the authorisation of an invoice should not be performed by a person if they have also authorised the order and checked the receipt of goods or services.

5.20 All cheques raised require two signatures and these must be employees of the school. As outlined in the school's bank mandate all cheques in excess of £1,000 must be signed by the Headteacher. There is no limit set for the Headteacher as control over the level of authorisation has already been applied in the ordering process as identified in section 5.2 and 5.3. Headteacher	No limit
Assistant Headteacher	£5,000
Office Manager	£2,000

6.2 All lettings will be authorised by Head Teacher in accordance with the charging policy agreed by the Governing Body. Proper records should be kept of all lettings and the income due from these.

6.3 The Office Manager is responsible for ensuring that the responsibility for identifying sums due to the school is separated from the responsibility for collecting and banking such sums.

6.4 Invoices will be issued promptly by the Office Manager following the delivery of the service. This period of time will not exceed 30 days. Wherever possible, income should be collected in advance of the letting or service taking place.

6.5 Official, pre-numbered receipts will be issued for all income collected from external sources by the Office Manager. These will be traceable to the record of the banking.

6.6 All receipts and other records of income will be securely retained.

6.7 All cash and cheques will be held securely to safeguard against loss or theft. The amount of money held at any one time will not exceed the amount covered by the school's insurance policy.

6.8 All monies will be paid into the Barclays Bank account / Santander account promptly and in full. Where a school closure period exceeds 24 hours, all significant income should be banked prior to this.

6.9 The Governing Body does not permit the encashment of personal cheques from income collections or the use of income collections to make payments.

6.10 The Office Manager is responsible for ensuring that monthly reconciliation takes place between the income collected and the sums deposited at the bank. This reconciliation should be fully documented and available for inspection when required.

6.11 Debts will be written off in accordance with section 2.1.6 of the Nottinghamshire Scheme for Financing Schools. The Governing Body will be informed of any such debts prior to them being written off. A record of any sums written off will be maintained.

6.13 Wherever possible, monies from vending and other machines should be emptied and the cash counted by two people.

7 Banking Arrangements

7.1 The Headteacher will ensure, on behalf of the Governing Body, that the operation of the school bank account (including the use of direct debits and Government Procurement Cards) is in accordance with section 3 – ‘Instalments of budget share; banking arrangements’ and Annex E – ‘Local Bank Account Scheme Regulations’ of the Nottinghamshire Scheme for Financing Schools. 7.3 The Office Manager will ensure that bank statements are obtained on at least a monthly basis and reconciled against the school financial system and relevant accounting records. Bank reconciliations will be signed as evidence of completion.

7.4 The Headteacher or nominated person will certify the monthly bank reconciliation and countersign the relevant reports as evidence that the checks have taken place.

7.5 Where possible, the person responsible for undertaking the bank reconciliation will not be responsible for the processing of receipts or payments.

7.6 Supporting vouchers will be made available to cheque signatories to safeguard against inappropriate expenditure.

7.7 Only manuscript signatures are to be used (i.e. not stamps or facsimile) and cheques should not be pre-signed.

7.10 The Office Manager will ensure that the school's cash flow is regularly monitored to ensure that the account does not become overdrawn.

8 BACS Payments (Bank Automated Clearing System)

8.1 The Governing Body has authorised the use of BACS payments to suppliers having considered this payment method and the appropriate controls over usage.

8.2 The BACS option should be used where possible as it provides a more secure route for payment and reduces the potential for fraud. It is recognised that some suppliers will continue to require payment by cheque but these will reduce over time.

8.3 BACS payments require two authorised signatures irrespective of values. Signatories should check that payments are being made to the correct supplier and that the amount is correct.

8.4 When not in use the Card Reader to access the Barclays Internet Account is kept secure in the school safe. The Head Teacher, Assistant Head Teacher and Office Manager have separate cards which need to be used when making payments. The Office Manager is responsible for setting the payments up and the Head Teacher or Assistant Head Teacher is responsible for authorising payments to the suppliers.

8.5 The Office Manager will ensure that bank statements are obtained on at least a monthly basis and reconciled against the school financial system and relevant accounting records. Bank reconciliations will be signed as evidence of completion

9.4 All Government Procurement Cards are held securely when not in use either by the cardholder or within the school in a secure location where there is limited access.

9.5 Any misuse of the card(s) outside of the conditions of use will result in the immediate withdrawal of the card(s) from the cardholder(s). The Headteacher will take appropriate action in line with the County Council's financial regulations.

9.6 The loss of any card(s) will immediately be reported to the bank and Card Manager.

9.7 If the card(s) are no longer required or the cardholder(s) leave the school they shall be returned to the Card Manager and destroyed in accordance with accepted procedures.

9.8 Card(s) will not be used for the withdrawal of cash through any ATM or cash back facilities. In exceptional circumstances cash may be withdrawn with **prior** approval of the Headteacher.

9.9 School Government Procurement Cards must not be used for personal purchases.

9.10 The use of Government Procurement Cards for ordering goods and services shall operate in conjunction with the principles of best value.

9.11 Government Procurement Card should not be used until confirmation has been made with the relevant budget holder that there is budget available under the budget heading to cover the cost of the proposed expenditure. Confirmation should also be sought that there are sufficient balances in the bank account prior to the use of cards.

10.3 The Headteacher will ensure that all processes in relation to completing, checking and authorising any documents and claims related to appointments, terminations of employment and expenses are carried out by more than one person.

10.4 Details of staff able to authorise any documents and claims should be forwarded to the school's payroll bureau, including specimen signatures where required.

10.5 The Headteacher will ensure that personnel records are kept securely and only authorised personnel have access to them.

10.6 All payments to individuals should be made through the payroll system except where an employment self assessment questionnaire has been completed and the Headteacher is satisfied from reading the guidance that the contract is one of self employment.

10.7 The Headteacher will maintain a list of all staff employed at the school. This will be updated on a yearly basis to reflect new starters and leavers.

10.8 The Headteacher will ensure that regular payroll checks are carried out on payroll transactions against the school's documentation on staffing and pay to ensure they match.

Independent physical checks should be made of significant stocks no less than annually against stock records.

13.3 The Headteacher will ensure that an inventory is maintained of all portable, desirable, valuable and uniquely identifiable items. This will include details of serial numbers, make and model where applicable. All such items will be security marked as being the property of the school.

13.4 An annual check of the inventories against items physically held will be undertaken by an independent person and documented. All discrepancies identified on this check will be investigated reported to the Governing Body.

13.5 Where school property is loaned to staff or pupils and taken off site it will be recorded in a loans of equipment register. This will include the date of the loan, return and signature of the person borrowing the equipment. Any such loans should be authorised by the Headteacher.

13.6 If stocks or equipment are surplus, obsolete, damaged, not traceable or stolen, the Governing Body will authorise the write-off and sale or disposal in accordance with section 2.1.4 of the Nottinghamshire Scheme for Financing Schools.
