

I live with my husband, my two cats and my two children, who both come to Brookside school.

My favourite animals are cats. I have two cats called Pickle (he is black) and Chutney (he is stripy).

Before working at Brookside, I was the manager at East Leake Pre-school playgroup.

All about Mrs Stevenson

I love being outside! I enjoy gardening, running and walking. I like to visit different places. My favourite place is the seaside!

I enjoy listening to music and singing along: I am even part of a choir!
