

OPAL Newsletter

May 2024

OPAL has continued to thrive this half term. We have opened up the field and some of the available resources have been moved up onto the grass. The children have loved using larger spaces to create dens, exploring their balance skills on the cable reels and imagining they are on the beach in the sandpit!

Open Session for Parents - Wednesday 17th July

We would like to invite you to join in with our OPAL fun for the afternoon. Rob Francksen, our OPAL coordinator, will begin the afternoon with a short presentation to parents at 2p.m. then you will be free to play with the children outside until 3:15p.m.

If you are able to join us, please complete the form [here](#) to give us an idea of numbers.

We need...

We always need tarpaulins, garden chairs, parasols, windbreaks etc. If you have a broken gazebo, don't throw the sides away, they make great den walls and slides!

Before you throw out...

Looking ahead to the Autumn, we would like to grow our bank of waterproof trousers/puddle suits.

Before you consider throwing any out, please ask us first! We especially need bigger sizes, to fit KS2 children.

Amazon Wish List

Thank you so much for the donations we have received from the Amazon wish list so far. Just a reminder, these things could be new or used, and don't have to come from Amazon, the list is just to give you an idea!
