

PE Funding Evaluation Form

- Before you decide how you are going to use the funding for this 25/26 academic year you should reflect and evaluate the impact of your use of the funding in 2024/25.
- All spending of the funding must conform with the terms outlined in the Conditions of Grant document.
- The template is a working document that you can amend/update during the year.
- Based on your evaluation of last year's funding you should decide what you intend to do this academic year, how you will do it, and what impact you expect it to have.

It is important that the funding is used effectively and based on your school's needs.

- You must use the funding to make additional and sustainable improvements to the PE and sport in your school.
- You must develop and add to the PESSPA activities that your school already offers.

Summative digital reporting from June 2025 will continue to include swimming and water safety information therefore funding can be used to provide top-up lessons where necessary to ensure pupils meet national curriculum swimming requirements.

Review of last year 2024/25

Activity/Action	Impact	Comments		
Continuation of 'active learning' throughout weekly timetables to ensure engagement of all pupils in physical activity.	Provision for pupils working towards having 60mins of activity every day – x2 days a week provided in PE lessons and active learning lessons as a top up on other days. As active learning is built into lessons, it doesn't require additional time in the curriculum and is sustainable long term.	Increasingly difficult to integrate into curriculum time.		
Promotion of active travel – took part in Walk to School Week	Children undertook more active travel increasing their physical activity levels. Profile of walking, cycling, scooting raised and positive environmental impact.	High uptake of pupils.		
Targeted less active children/those who would benefit from additional sporting activity to attend targeted interventions, extra-curricular clubs or extra-curricular fixtures.	Pupils who are less active improved their experiences of sport and increase time spent physically active. Positive experiences should lead to increased engagement now and in the future.			
Buy into local partnership offer.	Opportunities for a wide range of children to be involved in a variety of inter-school sport, increasing engagement and positive experiences.			
Refresh/purchase of equipment for OPAL play at lunchtime to facilitate activity.	Children have access to a far greater range of play equipment that encourages them to be physically active in many different ways. OPAL play continues to evolve over time to improve and provide the best experience possible.			

Review of last year 2024/25

Sports Week held in July.	Profile of PE/ sport raised amongst pupils, staff and wider community, more opportunities to play sport and celebrate sport.	
CPD external coaches supporting confidence and competence	Staff improve their confidence and proficiency of delivering PE lessons, leading to better lessons and better outcomes for pupils.	External provision provided in dance and gymnastics.
Employment of external providers to ensure broad curriculum offer and high-quality PE	Children are exposed to high quality PE in PE units where staff are generally less confident with their delivery.	
Purchasing of new PE equipment/equipment & tools for Forest Schools, for lessons.	Suitable equipment is available for PE lessons and teaching so that children have experience high quality PE.	

Intended actions for 2025/26

DfE 5 Key Indicators

- 1. The engagement of all pupils in regular physical activity.
- 2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- 4. Broader experience of a range of sports and physical activities offered to all pupils.
- 5. Increased participation in competitive sport.
