

# Mrs Sketchley

These are my two boys, Oscar and Teddy - you might see them around school!

Adventuring outdoors with my family is my favourite thing to do!

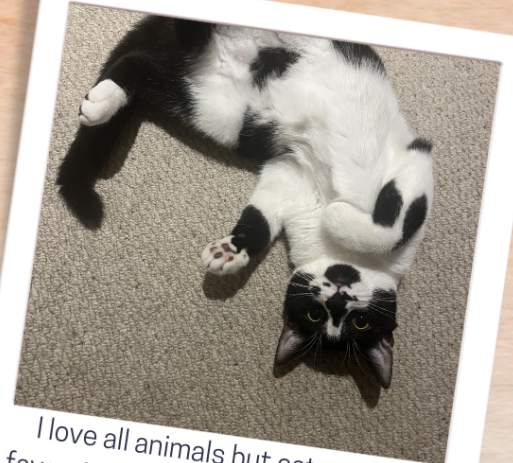

These are our dogs. The small one is called Nelson and the big one is called Zeus - they love the beach!

This is my favourite place in the world! Can you guess where it might be?  
(St Ives Bay).

Last year, I learnt to ski and I loved it!

I love all animals but cats are my favourite. This is our cat, her name is Harley.
